Business Card Instructions

1. Download our provided business card template.
2. Open the file in Microsoft Word and personalize the contact information, like the sample below.
Do not include girl's personal phone numbers. We suggest using an assembly's google phone number and/or assembly email.
3. When completed, print out the back and front onto the Avery Business cards #8871 2" x 3 1/2", similar, or heavy card stock paper.
4. Cut out your new personalized business cards!
5. Hand them out to prospective members, parents, masonic family, businesses, or anywhere that it seems fit!
