

# 2020 GRAND ASSEMBLY SEATING ARRANGEMENTS

We want to give you every consideration in seating your Assembly for the [2020](#) Grand Assembly in Fresno. In order to do this, we need to know your Assembly's requirements and desires. The form on the back is for you to tell us what you need and want.

Here are a few basic rules we follow:

- 1 Seating is assigned in the order in which the Registration Chairpersons receive your Grand Assembly Registration
- 2 Due to the configuration of the Fresno Arena, there are no seats available without having to climb stairs.
- 3 Special Seating Sections will be reserved for the Past Grand Officers, Out of State Visitors and VIPs.
- 4 If you wish to sit with another Assembly, the Registration, copy of the Housing forms and Seating forms must be mailed together to the Registration Chairpersons. In the past, we have encountered situations where one Assembly requested seating with a second Assembly and the registrations were received at different times (in one case, there were several weeks difference.) In addition, if you wish to sit with another Assembly, both Assemblies must request to be seated next to each other. There have been cases where one Assembly requested to be seated with another Assembly, and that Assembly did not request the same seating.
- 5 Please provide us with a swatch of your Grand Assembly fabric. Please attach it to the reverse side of this sheet, in the upper left corner with one (1) staple. Thank you.
- 6 **Moving from assigned seats is NOT ALLOWED. GEC and/or guards will move you back to your assigned seats.** Should the need arise to locate an Assembly it would make it impossible to do so if the Assembly has moved. Grand Pages will not be able to locate the Assembly either.

Please, if you do request seating with another Assembly, coordinate with them and send your Registrations at the same time with each of the Assemblies indicating their desire to sit together on the seating form (other side of this notice.) Mailing them together is even a better idea.

Thank you for your cooperation and remember - THE GOOD SEATS GO EARLY, SO SEND YOUR REGISTRATION IN EARLY! And, don't forget to complete the reverse side of this page and send it with your Registration.

Is there any additional information we should consider when assigning seating for your Assembly (i.e., person in a wheelchair, etc.)? All seats require some stair climbing. For those adults who have difficulty with stairs, you are welcome to sit in the Northeast (NE) sections. Space is limited, so unfortunately, the whole Assembly cannot sit in this section, only those individuals with special needs. The Assembly will have assigned seats. There are elevators to take individuals to the upper level.
