**Dear Visitors to California's Grand Assembly:**

We are looking forward to your visit and have planned what we hope will be an exciting Grand Assembly session for everyone! Our theme this year is *"Waves of Opportunity Lie Beyond the Shore in 2024"*

Please utilize the link below to complete your on-line registration and meal reservations.

I have also included a list of our Grand Assembly Chairpersons. Please reach out to the respective chair for any questions you may have. Debbye Rosenthal, Assistant Grand Director of Grand Officers, can also serve as a point of contact. There is additional information located on our website ([www.gocarainbow.org](http://www.gocarainbow.org)). I would also encourage you to follow us on our social media channels as we post information, videos, and news as the excitement for Grand Assembly 2024 builds.

All Supreme Officers, visiting Grand Officers, and Grand Representatives, and guests visiting from out of state are invited to attend the VIP/Grand Officer/Parent Banquet on Sunday evening, March 24, 2024. This banquet will be in conjunction with the dignitaries of the Adult Masonic Family. Supreme Officers will be our guests. We regret that there will not be enough time for speeches or presentations from out-of-state jurisdictions other than Jurisdictional "Come to Grand Assembly" songs which will take place during our Sunday evening session, but we look forward to spending the evening with you.

Our dress code for visiting Supremes, Grand Officers, and Grand Representatives is floor length dresses for those individuals during all sessions. The dress code for other girls and ladies attending sessions is floor or tea length dresses; men usually wear suits or sport jackets and ties.

Our Grand Representatives are preparing their reports on your special jurisdictions, and we hope you will enjoy watching their reports as they are shared on our social media channels during the week leading up to Grand Assembly, as well as, making new friends among the Rainbow Family in California. All out-of-state visitors will have **RED** badges so they will be easily recognizable. We want to be able to greet you warmly with the California sunshine. Please visit our Hospitality/Information Booth located next to the Registration Booth in the main foyer prior to the start of sessions when you arrive on Saturday.

We hope you will join us for our “Deep Sea Disco” fun event on Saturday evening starting at 5:30pm. Dress for this is casual; appropriate dress pants or nice jeans that come to the waist and are Rainbow appropriate are fine. **Please note that this event will be held outside and we recommend checking the weather close to the date.**

We will begin Grand Assembly with Opening Ceremonies on Saturday, March 23, 2024 at 1:00 PM and close following Grand Installation Tuesday, March 26, 2024 at approximately 5:30 PM. Our Grandies are known as the “Resiliently Ruby Red Pandas” this year and they are planning an impressive session for everyone’s enjoyment. We hope to see all of you in March.

*Sealed investing waves of opportunity,*
